

**UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF NEW YORK**

**BRYAN WILLIAMS, Individually,**

**Plaintiff,**

**VS.**

**LINDENSTAR LLC, a New York Limited Liability Company,**

**Defendant.**

Case No. \_\_\_\_\_

**COMPLAINT**  
(Injunctive Relief Demanded)

Plaintiff, BRYAN WILLIAMS, Individually, on his behalf and on behalf of all other individuals similarly situated (sometimes referred to as "Plaintiff"), hereby sues the Defendant, LINDENSTAR LLC, a New York Limited Liability Company, Individually (sometimes referred to as "Defendant"), for Injunctive Relief, and attorney's fees, litigation expenses, and costs pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. ("ADA").

1. Plaintiff, Bryan Williams, is an individual residing in Brooklyn, New York, in the County of Kings.

2. Defendant's property, Lindenwood Diner, a restaurant, is located at 2870 Linden Boulevard, Brooklyn, New York, 11208 County of Kings.

3. Venue is properly located in the Eastern District of New York because venue lies in the judicial district of the property situs. The Defendant's property is located in and does business within this judicial district.

4. Pursuant to 28 U.S.C. § 1331 and 28 U.S.C. § 1343, this Court has been given

original jurisdiction over actions which arise from the Defendant's violations of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq. See also 28 U.S.C. §2201 and §2202.

5. Plaintiff, Bryan Williams is a New York resident, is sui juris, and qualifies as an individual with disabilities as defined by the ADA. He is significant for residual left hemiparesis, hypertension, hyperthyroidism and dyslipidemia. Mr. William is unable to ambulate and is wheelchair bond.

6. Bryan Williams has visited the property which forms the basis of this lawsuit. Mr. Williams is originally from Kings County and regularly visits the area near Defendant's restaurant to visit friends, enjoy restaurants and other retail establishments. While visiting the property, the Plaintiff encountered architectural barriers at the subject property, which endangered his safety and impaired Mr. William's ability to park safely at the premises, to access the premises safely, to use restrooms safely, and to access goods and services at the premises.

7. Mr. Williams plans to return to the property once the barriers to access are corrected and the facility becomes fully accessible, so that Mr. Williams may avail himself of the goods and services offered to the public at the property.

8. Defendant owns, leases, leases to, or operates a place of public accommodation as defined by the ADA and the regulations implementing the ADA, 28 CFR 36.201(a) and 36.104. Defendant is responsible for complying with the obligations of the ADA. The place of public accommodation that the Defendant owns, operates, leases or leases to is a restaurant known as Lindenwood Diner, and is located at 2870 Linden Boulevard, Brooklyn, New York 11208, in the County of Kings.

9. Bryan Williams has a realistic, credible, existing and continuing threat of

discrimination from the Defendant's non-compliance with the ADA with respect to this property as described but not necessarily limited to the allegations in paragraph 11 of this complaint. Plaintiff has reasonable grounds to believe that he will continue to be subjected to discrimination in violation of the ADA by the Defendant. Bryan Williams desires to visit the Lindenwood Diner not only to avail himself of the goods and services available at the property, but to assure himself that this property is in compliance with the ADA so that he and others similarly situated will have full and equal enjoyment of the property without fear of discrimination.

10. The Defendant has discriminated against the individual Plaintiff by denying him access to, and full and equal enjoyment of, the goods, services, facilities, privileges, advantages and/or accommodations of the buildings, as prohibited by 42 U.S.C. § 12182 et seq.

11. The Defendant has discriminated, and is continuing to discriminate, against the Plaintiff in violation of the ADA by failing to, inter alia, have accessible facilities by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). A preliminary inspection of the Lindenwood Diner has shown that violations exist. These violations that Mr. Williams has personally observed or encountered include, but are not limited to:

#### **Parking**

- a) There are accessible parking spaces that do not provide signs designating them as accessible, violating Section 4.6.4 of the ADAAG and Section 502.6 of the 2010 ADA Standards, whose resolution is readily achievable.
- b) The required number of van accessible parking spaces is not provided, violating Section 4.1.2(5b) and 4.6.1 of the ADAAG and Section 208.2.4 of the 2010 ADA Standards, whose resolution is readily achievable.
- c) The plaintiff had difficulty exiting the vehicle, as designated accessible parking spaces are located on an excessive slope. Violation: Some of the accessible parking spaces are located on a slope in violation of Section 4.6.3 of the ADAAG and Section 502.4 of the 2010 ADA Standards, whose resolution is readily achievable.

- d) The plaintiff had difficulty exiting the vehicle, as designated accessible parking space access aisles are located on an excessive slope. Violation: Some of the accessible parking space access aisles are located on a slope in violation of Section 4.6.3 of the ADAAG and Section 502.4 of the 2010 ADA Standards, whose resolution is readily achievable.

#### **Entrance Access and Path of Travel**

- e) The plaintiff had difficulty using ramps, as they are located on an excessive slope. Violation: There are ramps at the facility that contain excessive slopes, violating Section 4.8.2 of the ADAAG and Section 405.2 of the 2010 ADA Standards, whose resolution is readily achievable.
- f) The plaintiff had difficulty on the path of travel at the facility, as there are ramps without compliant handrails, violating Section 4.8.5 of the ADAAG and Section 405.8 of the 2010 ADA Standards, whose resolution is readily achievable.

#### **Public Restrooms**

- g) There are permanently designated interior spaces without proper signage, violating Section 4.1.3(16) and 4.30 of the ADAAG and Sections 216.2 and 703 of the 2010 ADA Standards, whose resolution is readily achievable.
- h) The plaintiff could not enter the restroom without assistance, as the door width was too narrow. The clear width at doors to the facility is less than the prescribed minimums, in violation of Section 4.13.5 of the ADAAG and Section 404.2.3 of the 2010 ADA Standards, whose resolution is readily achievable.
- i) The plaintiff had difficulty using the urinals as the rims are mounted too high. Violation: There are urinals provided for public use that do not comply with the standards set forth in Section 4.18.2 of the ADAAG and Section 605.2 of the 2010 ADA Standards, whose resolution is readily achievable.
- j) The plaintiff could not use the toilet compartment without assistance, as one of the required size is not provided: Violation: The toilet compartments provided for public use at the facility are in violation of Section 4.17.3 and Figure 30(a) of the ADAAG and Section 604.8.1 of the 2010 ADA Standards, whose resolution is readily achievable.
- k) The plaintiff could not close the accessible toilet compartment door as it was not self-closing and did not have compliant door hardware. Violation: The accessible toilet compartment door does not provide hardware and features that comply with Sections 4.17.5 and 4.13.9 of the ADAAG and Sections 309.4 and 604.8.1.2 of the 2010 ADA Standards, whose resolution is readily achievable.

- l) The plaintiff could not use the accessible toilet compartment without assistance, as the required clear floor space was not provided due to the door swinging into the area. Violation: Compliant clear floor space is not provided in the accessible toilet compartment, violating Sections 4.2.3, 4.22.2, and 4.22.3 of the ADAAG and Sections 304.4 and 604.8.1.2 of the 2010 ADA Standards, whose resolution is readily achievable.
- m) The plaintiff could not use the toilet seat cover dispenser without assistance as it was mounted at a location where the clear floor space to access it was not provided. Violation: The clear floor space provided at elements in the restroom violates the provisions of Sections 4.2.4 and 4.27.2 of the ADAAG and Section 306 of the 2010 ADA Standards, whose resolution is readily achievable.
- n) The plaintiff could not transfer to the toilet without assistance, as the grab bars are missing. Violation: The grab bars in the accessible toilet compartment do not comply with the requirements prescribed in Sections 4.17.6 and 4.26 of the ADAAG and Sections 604.5 and 609 of the 2010 ADA Standards, whose resolution is readily achievable.

12. The foregoing violations also violate the 1991 Americans with Disability Act Accessibility Guidelines (ADAAG), and the 2010 Standards for Accessible Design, as adopted by the U.S. Department of Justice.

13. The discriminatory violations described in paragraph 11 are not an exclusive list of the Defendant's ADA violations. Plaintiff requires the inspection of the Defendant's place of public accommodation in order to photograph and measure all of the discriminatory acts violating the ADA and all of the barriers to access. The individual Plaintiff, and all other individuals similarly situated, have been denied access to, and have been denied the benefits of services, programs and activities of the Defendant's buildings and its facilities, and have otherwise been discriminated against and damaged by the Defendant because of the Defendant's ADA violations, as set forth above. The individual Plaintiff, and all others similarly situated will

---

continue to suffer such discrimination, injury and damage without the immediate relief provided by the ADA as requested herein. In order to remedy this discriminatory situation, the Plaintiff requires an inspection of the Defendant's place of public accommodation in order to determine

all of the areas of non-compliance with the Americans with Disabilities Act.

14. Defendant has discriminated against the individual Plaintiff by denying him access to full and equal enjoyment of the goods, services, facilities, privileges, advantages and/or accommodations of its place of public accommodation or commercial facility in violation of 42 U.S.C. § 12181 et seq. and 28 CFR 36.302 et seq. Furthermore, the Defendant continues to discriminate against the Plaintiff, and all those similarly situated by failing to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services, facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such efforts that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

15. Plaintiff is without adequate remedy at law and is suffering irreparable harm. Considering the balance of hardships between Plaintiff and Defendant, a remedy in equity is warranted. Furthermore, the public interest would not be disserved by a permanent injunction.

16. Plaintiff has retained the undersigned counsel and is entitled to recover attorney's fees, costs and litigation expenses from the Defendant pursuant to 42 U.S.C. § 12205 and 28 CFR 36.505.

17. Defendant is required to remove the existing architectural barriers to the physically disabled when such removal is readily achievable for its place of public accommodation that have existed prior to January 26, 1992, 28 CFR 36.304(a); in the alternative,

---

if there has been an alteration to Defendant's place of public accommodation since January 26, 1992, then the Defendant is required to ensure to the maximum extent feasible, that the altered portions of the facility are readily accessible to and useable by individuals with disabilities,

including individuals who use wheelchairs, 28 CFR 36.402; and finally, if the Defendant's facility is one which was designed and constructed for first occupancy subsequent to January 26, 1993, as defined in 28 CFR 36.401, then the Defendant's facility must be readily accessible to and useable by individuals with disabilities as defined by the ADA.

18. Notice to Defendant is not required as a result of the Defendant's failure to cure the violations by January 26, 1992 (or January 26, 1993, if Defendant has 10 or fewer employees and gross receipts of \$500,000 or less). All other conditions precedent have been met by Plaintiff or waived by the Defendant.

19. Pursuant to 42 U.S.C. § 12188, this Court is provided with authority to grant Plaintiff Injunctive Relief, including an order to require the Defendant to alter the Lindenwood Diner to make the facilities readily accessible and useable to the Plaintiff and all other persons with disabilities as defined by the ADA; or by closing the facility until such time as the Defendant cures its violations of the ADA.

**WHEREFORE,** Plaintiff respectfully requests:

a. The Court issue a Declaratory Judgment that determines that the Defendant at the commencement of the subject lawsuit is in violation of Title III of the Americans with Disabilities Act, 42 U.S.C. § 12181 et seq.

b. Injunctive relief against the Defendant including an order to make all readily achievable alterations to the facility; or to make such facility readily accessible to and usable by individuals with disabilities to the extent required by the ADA; and to require the Defendant to make reasonable modifications in policies, practices or procedures, when such modifications are necessary to afford all offered goods, services,

facilities, privileges, advantages or accommodations to individuals with disabilities; and by failing to take such steps that may be necessary to ensure that no individual with a disability is excluded, denied services, segregated or otherwise treated differently than other individuals because of the absence of auxiliary aids and services.

c. An award of attorney's fees, costs and litigation expenses pursuant to 42 U.S.C. § 12205.

d. Such other relief as the Court deems just and proper, and/or is allowable under Title III of the Americans with Disabilities Act.

Respectfully submitted,
